Sponsorship Programme

Each child is made in the image of God.

The Calcutta Emmanuel School is a full-fledged ISC affiliated English medium school. We first started with a few street children in 1978, with a vision to serve the poorest of the poor in Kolkata. Today, we continue to serve marginalized families; despite challenges, they too have a deep desire to fulfill their dreams and broaden their horizons.

Our mission is to offer a safe environment and holistic care to all our children. By enabling transformation in their lives, we hope that they will shine as exemplary youths in their communities, showing the way out of the pitfalls of poverty.

Did you know?

80 million children enrolled in schools in India are likely to drop out before completing their education. First generation learners struggle to cope with the demands of formal education. Support at home and at school is absolutely essential to keep them motivated.

Sponsor a Child Now!

Our trained and committed teachers and staff provide essential support to the children. By sponsoring a child, you can help secure his or her future and encourage them to nurture their dreams.

What does sponsorship do?

Sponsorship fee ensures that the sponsored child's parents do not have to worry about tuition fees. It also includes free daily lunch, medical check-ups, subsidized books and the first set of uniforms. Your support can see a child through schooling - from nursery to class XII.

How do I sign up?

For just Rs 1500 (\$30, £20) a month you can sponsor a child for one year. Simply fill out the Sponsorship form and return it to us at either our postal address, along with a cheque/Demand Draft drawn in favour of 'The Calcutta Emmanuel School', **OR** you can email the form to us and send the money via bank transfer.
